

Fall EoC Schedule 2013

End of Course Exams will be administered 12-2 through 12-6. Positive School will administer their EoCs during their usual block periods. The high school will utilize the following schedule for algebra and government testing and for make up testing for students who were previously delayed.

Monday through Thursday algebra testing will take place and on Tuesday and Wednesday government testing will take place. Additionally on Thursday and on Friday as well, students will complete make up tests (both from being absent earlier in the week and from being delayed during previous testing windows). These students will be called out of class as needed.

*PLEASE NOTE THE CLASS TIMES ON THIS CALENDAR:

--The week will follow a BCBCA pattern.

--Monday is a Modified B Day.

--TUESDAY IS A MODIFIED FULL C DAY—This is a day in which classes 2, 4, 6 and Contact Time will meet, but WE WILL NOT HAVE AN EARLY DISMISSAL!

--Wednesday is a Regular B Day.

--Thursday is a Modified C Day (with an early release schedule).

-- Friday is a Modified A Day.

The length of each class period is determined by the amount of time necessary to administer the exam. The differing lengths of time on Friday, 12-6, are to balance the total minutes teachers will spend with each class for the week.

Please do not allow students in the halls any period Monday through Thursday unless it is an emergency. Students should not be in the hall for activities during EoC testing. If you have an academic lab and students need to go to a lab or teacher for help, they should do so in the first five minutes of class and then stay for the remainder of the period. We will not be ringing bells between lunches on Tuesday, 12-3, or Wednesday, 12-4. Please dismiss students at the appropriate times. **Please also note lunch shifts on 12-3 and 12-4 are based on wings.**

Finally, the only teachers who are to have access to the EoC exams are the teachers administering the tests. Please do not ask to see the tests or wander into rooms during test administration as this is a violation of test security.

Professional development scheduled for the week will take place the afternoon of Thursday, 12-5, as is shown on the professional development calendar.

Thanks for your support during this EoC testing window!
