

2014 Teacher of the Year Nomination Form

Pattonville School District is seeking nominations for the district's Teacher of the Year. Pattonville will select a Teacher of the Year from each grade level — elementary school, middle school and high school — with teachers, counselors, librarians and instructional specialists being eligible. Previous elementary, middle school and high school winners are also eligible. One teacher from these three levels will be selected as Pattonville's Teacher of the Year and will be entered into the Missouri Teacher of the Year program sponsored by the Missouri Department of Elementary and Secondary Education in conjunction with the National Teacher of the Year program. The winners will be honored during District Appreciation Night on May 5.

Nominees should be skilled, dedicated teachers who plan to continue teaching as a career. They should have the respect and admiration of students, parents and colleagues.

They should play active roles in their community, offering service and leadership in civic, religious or humanitarian activities, as well as in school. They should be poised and articulate and have the energy to withstand a busy schedule, plus the ability to meet people easily.

Please use the form on the reverse side to nominate a candidate. Give as much information as possible. The following are not eligible for this award: staff in administrative or supervisory positions, those who will retire or resign at the end of the year, previous district winners and those with a Performance Improvement Plan.

Nominations must be submitted by Friday, Feb. 7, 2014. Send nominations to:
